MEMORANDUM FOR: LTG James A. Williams, USA
Director, Defense Intelligence Agency

FROM:
Director, Office of Program and Budget Coordination

25X1

SUBJECT: Transfer of Defense Intelligence Agency Counterintelligence
(CI) Resources

REFERENCE: Your memorandum to the Director of Central Intelligence,
same subject, dated 12 November 1982

1. The DCI concurs in the transfer of the Defense Intelligence Agency CI resources from the General Defense Intelligence Program (GDIP) to the Department of Defense Foreign Counterintelligence Program (DoD/FCIP) starting in FY 1984.

25X1

2. Our respective staffs are currently working out the administrative details of this transfer. It is my understanding that the number of DIA CI personnel spaces in the FY 1984 GDIP budget is 41 vice 44 referred to in reference memorandum. We are attempting to gain approval for additional FY 1984 resources for this group. We will keep you advised accordingly. The FY 1984 GDIP CBJB should reflect the reduction of these 41 positions and associated costs and the DoD/FCI CBJB should include approved resources for this effort.

25X1

3. OMB has been advised and they, too, concur in the transfer of these positions and dollars out of the GDIP to the DoD/FCIP for FY 1984. (U)
